**for Community Access because...Community Matters!**

**The Morro Bay Community Pool Foundation is on a mission to answer your S.O.S.!**

The community has voiced a strong concern that year-round swimming opportunities are being cut back and are less accessible than ever before.

Our Foundation is poised to help with a commitment to preserve and enhance existing aquatic programs. Our goal is to be a partner in helping to increase the community's participation at all of our local pools by raising awareness and funding for each of the programs. The Foundation's current focus is to support Cuesta College's Community Aquatics

Program, and our County pool programs in Cayucos and Cambria.

Your commitment of support as a donor or active volunteer will help ensure that our local pools will be available for recreational swim next summer, and accessible to the community year-round!

Please help the Foundation ensure that all water exercise enthusiasts have the opportunity to train, exercise, rehabilitate, and play by diving in and donating your dollars and time!
