SUPPORT FOR MORRO BAY POOL FOUNDATION

To whom it may concern:

I write on behalf of San Luis Obispo County Parks to support the Morro Bay Pool Foundation and encourage their collaborative efforts to develop and manage a community swimming pool for the benefit of the residents of and visitors to the Morro Bay/Los Osos area.

This department has long recognized the value of public recreation to the well being of our residents and as a stimulant to regional tourism. The Morro Bay/Los Osos area is particularly in need of such a facility. The ability to combat juvenile obesity, develop healthy life habits, provide accessible recreation for seniors, and enhance the safety of all those who come into contact with open water are critical for our community. Given the fiscal constraints faced by all public agencies, a collaborative approach between public and private partners is the most likely path to successfully meeting this important need. SLO County Parks would like to add our backing to those who would support this effort.

Thank you anything you can do to further their goals.
